NURSERY NEWS

This week in Nursery the staff have been very impressed with how the children are working together, especially in the brick area. We overheard a lovely conversation;

Annie: "shall we work as a team to build it together?"

Ryan: "Yes team work!"

The children have been using their imaginations to create some fantastic structures, some children have also been interested in recreating real buildings so we have added some photos of famous land marks to the construction area. Did you know whilst the children are creating in the brick area they are developing lots of skills? Negotiating, talking, listening, balancing, problem solving, exploring concepts of size, sorting, matching and using their own ideas to name but a few but above all having lots of fun.

If you change your contact details at any time, please can you remember to let Mrs Cumberpatch have them so we have an up to date telephone number at all times, thank you.

A big thank you to all the Parents and Grandparents that came to the Christmas Tree Festival with us, we really appreciate it and couldn't have done it without you!

We would also like to say a big thank you to Jake Fox for making us the beautiful reindeer that you can see in our cloakroom, the children think they are fantastic and we agree!

Have a super weekend

The Nursery Team

Loatlands Legends

We have had another wonderful week of achievement...

Our year 3 and 4 Futsal team competed against the other schools in our academy cluster on Tuesday, two of the teams regularly compete in district finals and so our team did wonderfully well, scoring many awesome goals, the boys were skilful, respectful, competitive and resilient. Everything I would want in a team. It was a real pleasure to spend time with them. Well done Mason, Finley, Blake, George, Myles and Rossi.

You will also be proud to hear that your Parent Legends running group have already made the couch to 5km distance in 7 weeks; 3 less weeks than originally planned. We just need to run the whole measurement now and then we can invite you all to support us at our special park run! We run around the same route most weeks which brings us back to the school 3 times. So if you are thinking that you want to join us but are worried that you don't feel fit enough or are thinking that you aren't brave enough please don't let that put you off... you could run the first lap with us and then wait at school for us to get back. You would be VERY welcome to join us. Running makes you smile and gives you a self-esteem boost. What better reason do you need? [We meet every Wednesday at 2:15.](#) Just turn up!

The children's running club has closed for the next few weeks, all of our 34 runners can cover a distance of at least 1km without stopping in 10minutes, some of our top runners can double that! Well done my Legends, very soon there will be a children's Parkrun in Desborough. I'd love us all to go and run the very first one.

Just keep moving!

Mrs Johnson
