Open afternoon **Wednesday 18th October. 11:00-12:00**

To close our topic, we would love to invite parents in to the classroom; to look at our learning environment and also to be amazed by our hard work during our first half term in Year One,

To make this an extra special afternoon...We would like your family to prepare something to show and talk about to others during the afternoon.

We know that some of you are lucky enough to have family members or friends who live in other parts of the world; so you may even want to contact that family member or friend in another country and ask them to help with your open afternoon challenge.

We have been learning about how we make bread. Could you make some bread at home with your family? Could you bring us some photos in to show us how you made it?

Is there a type of bread that your family eats at home that we might not be familiar with?

Amazing Arts and Crafts

- 1) Create an autumn collage using natural materials.

Term 1 - Your 2 Bigger Treats must be completed and in school by Wednesday 18th October. You can complete Bigger Treats on larger pieces of paper or using ICT if this is easier. If you need help with research or are stuck in any way, speak to Mrs Johnson, Mrs Greenwood or Mrs Kaup. You can use photos as evidence of homework.

Remember:

To have fun while completing your homework and that completed homework will be awarded House points.
