# Loatlands Legends

\*\*\*\*\*\*\*\*\*\*

Proud teacher alert! On Friday 24<sup>th</sup> January, 8 children took part in two gymnastic competitions against 12 other schools in the area. They had to learn and perform two routines, which required balance, strength, flexibility and agility, then mount the vault and jump off with a controlled landing. Most of these children had not taken part in any gymnastics competition before. Every child who took part performed superbly and impressed me with their composure and confidence. With only two points dividing the top teams we came fourth in both events.

A big well done to all the gymnasts and a huge thank you to Mrs White for helping with all the training sessions.

# Nursery News

This week our sign of the week is 'cold', we have been singing 'Row, Row, Row your Boat' to practice the sign when rowing our boats down the icy river. We have also had lots of fun playing in the garden, the children have been on lots of Bear Hunts and enjoyed spotting signs of Spring. We have also been playing games with the musical instruments to develop our listening and attention skills.

In the final week of term, we will be having a history focus, we would love for you to send in a photo of your child as a baby that they can share at group time. Please tell your child a story about them as a baby which they can share with their special group. If there are any parents, grandparents or carers that would like to join us at the end of the session to talk to the children about their childhood that would be most appreciated, please sign up to this on the parent notice board.

# How can you help at home?

Try making some homemade instruments, an upturned saucepan and wooden spoon makes a great drum or you could find two sticks in the garden and tap out a rhythm to your favourite nursery rhymes.

Borrow a book from our library as often as you wish, no need to record anything, when you have finished with it just return it and swap it for another.
