Congratulations

A massive well done to Emily in Year 6 for receiving a Blue Peter Badge for submitting her amazing Superheroes poem during lockdown.

SUPERHEROES

By Emily - Pullman

Superheroes are everywhere
Giving us love, attention and care
They don't wear capes, or fly in the air
In these times of trouble they are always there

Scientists work night and day
To make this virus go away
A vaccine is what they need to find
To give us all peace of mind

We clap for the NHS on a Thursday night
As they risk their lives to keep up the fight
They wear their gloves and masks
As they go about their important tasks

Shop workers open their doors
They've marked out spaces on their floors
Supermarket workers put food out to sell
To keep us full, happy and well

Delivery drivers have taken to the roads
Travelling for miles to deliver their loads
Up and down the country they go
To delivery to those who need them so

Teachers are unable to teach their class at school
So they send work home because they are cool
They work hard to create things for children to do
To keep them able to learn things new

Parents are turning into teachers too
Thank goodness for Google to get them
through

The difficult maths, the English tasks
The sewing lessons to make some masks

Children miss their friends and family too
Staying away is something new
Not being able to cuddle or kiss
Is something they so desperately miss

This virus has changed the world we know
And everything feels so very slow.
I hope one day not too far away
I will be able to see my friends and play

So to all you superheroes who have played your
part

I thank you from the bottom of my heart
For the work you do today
To help this virus go away

Department for Education Advice - Change in End of Term Date

On Tuesday all schools received a communication from the Department for Education giving the option to make Friday 18th December a training day both as a recognition of the tremendous pressure that school staff have been under, whilst also serving to minimise contacts as much as possible. While this is late in the day to receive this from the DfE we support this approach and will be making Thursday 17th December the last day of term for all our students.

Medical Appointments during School time

If your child needs to attend a medical appointment during the school day, please let the school office know and provide a copy of the letter/appointment card by email prior to the appointment so this can be properly recorded as a medical appointment on your child's records.

Oxford Owl Online Reading

We have recently subscribed to www.oxfordowl.co.uk. This website provides a range of eBooks that your child will now be able to access from home. Each class has their own login which your child can use to access books from our reading scheme on any mobile, tablet, laptop or desktop computer and is intended to supplement their reading at home. These books will not take the place of the books we send home with your child but will give them a greater variety of choice and opportunities to choose new books. An information sheet with instructions on how to get logged in and start choosing books and also details your child's class login have been emailed home.

Nursery News

We have a lovely week celebrating Christmas; we have made Christmas cards and decorations for our tree, we've shared lots of lovely Christmas stories at group time and enjoyed taking it turns to open the advent calendar. There has been lots of tree decorating in the home corner and many sleighs have been constructed in the brick corner.

At Forest school this week the children showed such fantastic resilience and perseverance skills when learning how to whittle a Father Christmas stick. We are so proud of them.

Arrangements for Next Week:

Wednesday - we will have our Nursery Christmas party, the children can wear their party clothes.

Thursday- We will then finish with a Christmas themed Forest School so wrap up warm on the last day!

Have a lovely weekend

Back To School - Child Safety Tips

*You can't always be near your child.
How do you make sure they are safe?
Teach your children:*

STRANGER DANGER

01 What do you mean by strangers?

"Pretty" strangers can be as dangerous as scary-looking strangers.

02 Who can they go to when they need help?

Teachers

Policemen

Neighbours

03 Possible dangerous situations, eg:

A stranger claims to be a friend of your parents and offers you a ride home from school.

A nice looking stranger approaches you and asks for help/directions.

Children should not approach or follow strangers

Good grownups don't ask kids for help. They go to other adults for assistance.

04 What to teach your child:

Always be accompanied by someone they can trust.

Know the home address and mummy's and daddy's phone numbers.

Scream or shout "NO" when they are in a dangerous situation.

Talk with mummy/daddy about their day and not keep secrets from them.
