Dear Parents/Carers,

RE: Lego Club for Year 1 children

After the February half term break myself and Mrs Wallace will be providing the children in Year 1 the opportunity to take part in a Lego construction club. The club will take place on a Thursday evening after school from **3.15-4.00pm**. There will be two sessions to allow places for more children.

Session 1 – Thursday 22nd February, Thursday 1st March, Thursday 8th March

Session 2 – Thursday 15th March, Thursday 22nd March, Thursday 29th March

The children will exit via the community entrance after the session.

The club will give the children the opportunity to build Lego models based on their own imaginative ideas as well as providing a chance to work with others through turn taking, sharing and cooperative play. The children will also learn that the models will need to be taken apart at the end of each session as well as the importance of tidying up.

If your child would be interested in joining us for Lego club we have **20 places** available in each session. If the club becomes oversubscribed we will in the first instance draw names from a hat during our Friday celebration assembly. Please complete the permission slip below returning via your child to the grey boxes in the classroom or through the school office by **Thursday 8th February 2018**. Parents will be advised whether their child has a place in the club and for which session.

Yours Sincerely,

Mr A R Izzard-Snape
Headteacher
