

Dear Parents/Carers,

As always, we are going to be selecting the house captains and vice captains from Year 6 shortly. For obvious reasons, we are unable to carry out the elections in the normal way at school and the children were very reluctant to carry out their speeches via an online platform to the rest of the pupils. In order to make it less daunting for the pupils, we are suggesting that the children record a speech on a mobile device at home (with some help from you) and email it in to the parents@loatlandsprimary.net address to be shown to their peers. We have chosen to do it in this way as the vast majority of children were reluctant to put themselves forward due to the online election process. We have spoken to the children about what they should include in their speech, although I have outlined a few points below.

- What qualities do you have that would make you a good leader?
- Do you mind giving up playtimes to support with activities?
- Are you a positive role model?
- What would you like to do as a house captain? (any ideas)

If you are able to help your child by recording them on a mobile device then could it be sent to school by Monday 12th October. If there are any children that are unable to do this at home, we will do what we can to support them with the recording at school.

Many thanks for your support in this matter. I look forward to hearing the children's speeches.

Many Thanks

Miss Durling
