Bigger Treats – Term 2

Wonderful Writing (choose 1)

- 1) Imagine you are an astronaut and have just completed your first spacewalk. Write a letter to your family back on earth explaining what it was like.
- 2) Write a newspaper report with the headline 'Aliens Invade Earth'.

Magnificent Maths (choose 1)

- 1) Make a game for a Year 3 child so they can practise multiplication facts
- 2) Design a help sheet explaining two of the four calculation methods (i.e. addition and subtraction formal methods OR multiplication and division – grid method and bus-stop)

Super Science (choose 1)

- 1) Try some astronomy! On a dark clear evening, go into your garden and look at the stars. What constellations can you see? How can you record what you have noticed?
- 2) Explain why this statement is wrong: "The sun travels across the sky."

Poster Perfect (choose 1)

Design a poster for any of these topics:

- 1) To show a memorable way to remember the order of the planets in the Solar System
- 2) To encourage another child to take part in the sporting activities that are available in school.

Amazing Arts and Crafts (choose 1)

- 1) Make your own 3D model of one of the planets in the Solar System
- 2) Make a model space rocket (either based on a real rocket or your own design)
- 3) Create your own piece of space art inspired by the planets of the Solar System

This term our Homework Celebration will happen in school for the Key Worker group and via Teams for the Home Learning group.

Any completed tasks should be in school/sent via Teams by Monday 8th February 2021. You can complete Bigger Treats on larger pieces of paper or using ICT if this is easier. Photos of projects can be uploaded onto Teams using the assignment tab.

Remember:
Homework will be awarded House Points for: effort, presentation & creativity.
