

Welcome to Term 5 —Year5

What happens in Term 5?

Term 5 is just as busy and exciting as term 4. Year 5 have African Drumming sessions each week on a Monday. They also have Cricket sessions with a specialised coach every Thursday. We also have 'Break the rules day!!' and class photographs.

In Year 5, we will continue to develop the children's independence in learning, as well as in organising their own resources and belongings at the start and end of each day. This is a great skill for life, so please continue to support your child/children by encouraging greater responsibility at home by doing little jobs.

Housekeeping

Our PE days will be Wednesday and Thursdays.
Children will continue to need to bring a named water bottle and a coat every day, as the weather is still changeable in early Summer. Please also ensure that snacks are fruit based and not sweets, chocolate or crisps.
hool.

Curriculum

This term our topic is WW2 which crosses over with Art and Design Technology.
In Science we will be looking at living things and their habitats (plants and mammals life cycles)

Handwriting, Spellings &Homework.

H TTRS

Weekly spellings and homework will continue to be issued on Fridays and tested the same day on the following week.

Please support your child when doing homework: ask to see their homework, encourage neat handwriting in pencil or pen (if they have a licence), challenge them to be responsible and remember to bring their completed work back to school.

Thank you for all your support. Just a small reminder, the children still need regular practise with their Times Table recall. The Times Tables Rock Stars app is great for a quick 5 minute practise daily!
