Years 4 and 5 are currently preparing for their performances of 'Pirates Versus ★ Mermaids' that will be taking place on Wednesday 25th March 9.30am and 2pm,

which is a family friendly performance, and Thursday 26th March at 6pm. All children will need to attend all three performances (including the evening one) for the production to be a success. Tickets are available to purchase via your child's SchoolMoney account.

Easter Celebrations

We will be celebrating Easter with our two traditional Easter activities for each key stage:

On Friday 3rd April at 1.30pm, Reception, Year 1 and Year 2 children will go out on our Easter Bonnet parade. The children will need a decorated hat to wear. Bonnets can be either made at home or purchased very cheaply from shops e.g. Poundland. The parade leads round the local area and we would love to see parents and grandparents lining the route to wave at the children.

On Friday 3rd April, the children in Years 3, 4, 5 and 6 are able to enter our decorated egg box competition.

To demonstrate our value of Curiosity, find out about a historical figure and use this as a theme to decorate your egg box (the maximum dimensions for the box are 30cm x 30cm x

30cm)

Parent 'Stay and Read' Session

Wednesday 18th March - Milne

Thursday 19th March - Pullman

The 'stay and read' session will begin at 9am and will finish at 9.25am. Pre-school aged children are welcome to come to the sessions – we will have a special library area for parents who bring pre-schoolers with a range of books and toys suitable for younger children.

If you wish to attend a 'stay and read' session then you just need to enter the school via the main entrance after dropping off your child/children as usual. The class whose turn it is will then make their way to the library after the register and then collect you from the office. We hope you are able to join your child for their 'stay and read' session.

Yesterday 30 pupils, that had been selected as they have shown a keen interest and ability in Science, demonstrated our school value of Curiosity and visited Wollaston Secondary School for a Science Workshop. Throughout the afternoon, they took part in fun activities relating to Biology, Chemistry and Physics. All the children's behavior was exemplary and they were a credit to the school.

Nursery News

At the end of last week we had lots of fun celebrating World Book Day. We shared lots of lovely stories and read some of our new books donated by Wacoal Europe Ltd. We would like to thank the Desborough company for donating six bags of beautiful Julia Donaldson books. They will really enhance our collection of storybooks and be shared time and time again.

This week we have been planting more seeds and exploring worms! So much fascination around these wonderful creatures that live in our garden. Can you find any worms in your garden?

How can you help at home?

Play I Spy together on the way to nursery or at home. Tuning into the initial sounds in words is a really tricky, but very important, pre-reading skill.
