Foodbank Fundraising by Jay

Jay (Rowling) was inspired by Colonel Tom Moore's fundraising and his uncle who has been fundraising for the Two Point Six Challenge. Jay decided he wanted to do something to help and has set himself the challenge of walking 60 miles throughout May. After looking at various Charities, Jay decided he would like to raise money for The Tressell Trust. They are a nationwide network of food banks which include food banks in Kettering and Corby. In 7 days, Jay has walked 21 Miles and has exceeded his target of £100 so far he has raised £440! He is totally overwhelmed by the support and is excited to raise more money and complete his miles. Here is the link to Jay's just giving page. <http://www.justgiving.com/fundraising/sarah-baker94> and link to the newspaper article about Jay <https://www.northantstelegraph.co.uk/news/people/desborough-boy-challenges-himself-walk-60-miles-month-support-food-banks-2845015>

Well done Jay we are all very proud of you.

Messages from Loatlands Staff

If your child is really missing school at the moment, our fantastic team of teaching and support staff at Loatlands would love to send them a surprise message to cheer them up.

Simply email a request for a message to parents@loatlandsprimary.net making sure that you include your child's name, class and year group and a member of the team will email you back with a message to share with your child.

Loatlands Competition

A reminder about our fabulous competition for all our children to enter. The aim of this is to cheer up one of our elderly neighbours who unfortunately isn't able to have many visitors at the moment. To enter send a colourful drawing of your choice into the school by Monday 11th May. All drawings will be sent to our neighbour to be judged. There is a small prize for every entry and a £25 Amazon Voucher for the winner! Remember to put your first name only and class on the back.

Good Luck!

Northamptonshire Fire & Rescue Service

The Fire and Rescue service has requested that children & young people, up to the age of 16, whether at home or in school, send in some artwork showing a Firefighter in action. They would like young people to think about the tasks Fire & Rescue do and then come up with some art work and email it in. They plan to feature as many entries as possible on their social media platforms. Please share with your families.

Further details can be found on the link below:

<http://www.northantsfire.gov.uk/2020/05/04/can-you-draw-a-firefighter/>

Well Done to Lola (Cowell) and Faith (Nursery)

Lola, Faith and their mum have been working hard to help the local community through this difficult time. They have covered the railings at the front of their house with a fantastic display, every single sheet was hand coloured individually by all 3 of them and they spent a whole weekend putting the display together. It is split into 4 different sections

The first part of the display is a colouring competition they are running for the local children to take part in when they are out on their hour of daily exercise. They choose a different theme each week and choose two different picture templates for children to take and colour in, they can then pop it in a competition entries box we have outside. Lola and Faith draw out 4 winners at random each week, they receive a small prize and have their picture displayed outside for the following week.

The second section says 'thank you to all our key workers' there are pictures of all the different types of key workers they could think of. The third section says 'we are all in this together #fightcovid19' this whole section was solely thought out and created by Lola.

Then the last section is all related to mental health and wellbeing, where they have positive and inspirational quotes and various calming/anxiety techniques for people to look at.

Please pop along to see their fantastic display and collect an entry form for the competition this week, which starts on Monday 11th May, and the theme is Space.

What an amazing thing to do, Well done to you all!

VE Day Celebrations

We would love to hear about how you and your family celebrated VE Day on Friday 8th May. Please send any photos and information that you are happy to be used on our Newsletter and Facebook page to parents@loatlandsprimary.net

School Nurse messaging service

ChatHealth, the school nurse messaging service, is confidential and available Monday to Friday from 08.00 to 16.30. They are expanding this service to provide a messaging service for parents and carers of school aged children and young people, as well as young people. You can message for advice on all kinds of health issues concerning your child or young person, such as emotional health and wellbeing, bullying, healthy eating and any general health concerns. The text number for ChatHealth Northamptonshire is; **07507 329600**. (there is no charge for this service)
