

# Loatlands Edition

## Respect, Resilience and Curiosity

Issue 34 – Friday 3<sup>rd</sup> July  
www.loatlandsprimary.net

Loatlands  
Primary School

### School and Nursery Reports

These will be provided on Monday 6<sup>th</sup> July 2020. If your child is in School/Nursery we will send it home with them (along with reports for any siblings who are not in school). If your child started in Nursery in January, they will not receive a report as they will be returning in September and reports will be issued in July 2021.

Alternatively, you can collect your child's report at the following times **during the day on Monday 6<sup>th</sup> July:**

**If your surname begins with the letters A – E:** between 9:30am and 10:30am

**If your surname begins with the letters F – J:** between 10:30am and 11:30am

**If your surname begins with the letters K – O:** between 11:30am and 12:30pm

**If your surname begins with the letters P – S:** between 12:30pm and 1:30pm

**If your surname begins with the letters T – Z:** between 1:30pm and 2:30pm

A desk will be set up outside the main entrance for you to collect the reports. Please note that you will only be able to collect reports for those children that you have parental responsibility for (e.g. a friend / childminder cannot collect the reports on your behalf). Please remember to follow social distancing guidelines while on our school site. We understand that the government plans to relax social distancing guidelines from 4<sup>th</sup> July but would respectfully ask that you continue to follow the 2m guide in order to keep everyone safe.)

If you are unable to collect your child's report, please do not worry any that have not been collected by 2:30pm will be posted to your home address instead.

As usual, reports will contain details of who your child's class teacher will be next year. Over the final few weeks of term your child will receive some tasks to do as part of their home learning to tell their new teacher all about themselves, a short message from their current teacher to say goodbye and a message from their new teacher to welcome them.

### Library Books

Please can we ask all children and parents to look at home for any reading books and return them to the school when collecting school reports. Alternately, there will be a box next to the Hive in the school grounds for these to be put into. Many Thanks

### Achievement Assembly

We will be holding our last virtual assembly on Friday 10<sup>th</sup> July at 9.30am. To join us simply click on this link

<https://us02web.zoom.us/j/84179723809?pwd=bVhENE51a1RBUkdXMTBqVldlSHp1Zz09>

or go to [www.zoom.us](http://www.zoom.us) and click on 'join a meeting' and enter the following meeting information:

Meeting ID: 841 7972 3809      Password: 258060

Mrs Buckley will celebrate stars of the week from each bubble in school and if parents would like to nominate any children at home for specific achievements, wonderful home learning or just being super helpful please let us know via [parents@loatlandsprimary.net](mailto:parents@loatlandsprimary.net) by Thursday 9<sup>th</sup> July and we will make sure they get a special mention.

## Bubble News

This week bubble 4 have enjoyed making a junk model castle and split pin knights. They have also made their own sword and shield and had a mini battle on the field.

Bubble Y have been creating fact files about Dinosaurs. The children have loved learning about different types of dinosaurs, they also enjoyed finding out about how the dinosaurs became fossilised and rediscovered by palaeontologists such as Mary Anning.

### Red Team (Bubble A)

Have been on a sensory walk in the school grounds to enhance their listening and observational skills. They have also had lots of fun making a pirate ship out of a cardboard box, tending to the sunflowers and peas in the allotment and playing on the rope swing.

### Blue Team (Bubble B)

Have had lots of fun acting out some traditional tales in the garden, explored clay, making perfume and hunting for bugs!

Bubble 1 have had another very busy week. In PE this week we took part in a standing jump and target throw competition and we are hoping that our scores will help Loatlands achieve well in the NSPORT Virtual Games.
