Photo orders

Please can orders for school photos by brought in to the school office by Friday 25th November

Punctuality

We have noticed a number of pupils are arriving late for school in the morning. Please note that the school gates open at 8:45am ready for children to line up and be collected by their class teacher at 8:50am. It can be extremely disruptive for the teacher and the rest of the class when a child arrives late and they are missing out on valuable learning time.

Christmas cards/mugs

Christmas cards, mugs and coasters were sent home with children this week. If you missed the date for ordering you are still able to place an order. Just go to the 'late orders' section on the website www.school-fundraising.co.uk and place your order please note there will now be a delivery charge.

School Council

Meet your School Council for the year. We are proud to introduce the School Council for the current year. Children have been voted for and elected by their class to represent the views of the children within school. We are looking forward to sharing ideas with everyone as to how to make improvements to our school. If you have any ideas please share these with your class representative so they can record these ready to share at our next meeting.

Warm Welcome

I am delighted to announce that we have appointed Mrs Natalie de la Salle as the new Rosen Class Teacher and Phase 1 Leader from January 2023. Mrs de la Salle is coming to us from Mawsley Primary School where she has worked for many years and has extensive experience both in Reception and across the primary age range. With her warm and gentle nature, we are sure that she will form excellent relationships with all of the children across Phase 1 very quickly and ensure that the transition is as smooth as possible.

We look forward to extending a warm Loatlands welcome to Mrs de la Salle over the coming weeks.
